**Part C: Additional required information**

Each significant assumption made in determining the cost estimate or maximum cost statement.

In 2022, the province announced that the cost of creating 4 seats was \$172,000. This number was for the 2023-24 academic year and beyond and is assumed to be current.

Assume 10 seats will be created.

The sources of information used in preparing the cost estimate or maximum cost statement.
